Our Vision

To be the most admired defense and aerospace systems supplier through world-class people and technology

A Global Leader in Technology-Driven Solutions that provide Integrated Mission Systems for our customers

Raytheon Company is a technology and innovation leader specializing in defense, homeland security and other government markets throughout the world.

Strategy

Focus on key strategic pursuits, Technology and Mission Assurance to protect and grow our position in our four core defense markets:

- **Sensing:** Expand beyond traditional RF/EO to adjacent markets;
- **Effects:** Expand beyond kinetic energy-based weapons;
- **C3I:** Grow market presence through increased footprint and expand knowledge management;
- **Mission Support:** Expand beyond product support and engineering services to include mission planning and training capabilities.

Leverage our domain knowledge in these core defense markets, as well as in Mission Systems Integration, Homeland Security and Information Operations/Information Assurance.

Expand international business by broadening focus and expanding into adjacent markets.

Continue to be a Customer Focused company based on performance, relationships and solutions.
