

Raytheon
Systems Limited

This document is an integral part of the contract (purchase order) which calls it out.
The revision in effect at the time the purchase order was placed applies.

I008, Rev 2

(16/11/05)

SHELF LIFE REQUIREMENTS

To be acceptable, material shipped under this order must arrive at the buyer's facility with not more than 25% of the manufacturer's specified shelf life expended unless otherwise stated in the Purchase Order.

Certificate of Conformance, signed by a senior member of staff responsible for Quality Assurance. The certificate shall state the manufacturer's batch/lot number and that the material has been manufactured/supplied and inspected to the relevant drawings/specifications/part number quoted on this order, and shall quote this order number.
